What is Improv Inc.?

Improv Inc. provides business skills training through improvisation. By understanding your business objectives, we customize workshops and shows to meet your specific training goals. Our instructors have years of training experience and strong business backgrounds to translate improv skills to success, fun and productivity in the workplace.

Why use Improv Inc.?

Improvisation is all about working together to achieve success. Improv Inc. Corporate Training provides a fun, welcoming and interactive environment to promote **team building, communication skills** and **creative thinking**. A hands-on approach engages all members of your team, fostering confidence and cooperation.

What will Improv Inc. do for my business?

Improv Inc. provides **interactive workshop** designed to develop the following key business skills:

- **Effective Listening**
- **Positive Collaboration**
- **Fluid Negotiation**
- **Compelling Communication**
- **Creative Thinking**
- **Rapid Ideation**
- **Intense Teamwork**
- **... and it's really fun!**

Each group participates in a unique series of exercises lead by expert facilitators. Debriefing ensures that the skills learned through improv can be applied directly to your workplace.

What else does Improv Inc. offer?

In addition to exceptional corporate training, Improv Inc. provides a number of services to **build morale, train** and **entertain** your hard-working staff.

Performances

Whether it be a holiday party or an Annual General Meeting, Improv Inc. performances are completely improvised and use suggestions and themes from your workforce to keep the staff in stitches.

Business Specific Training

Using your key business objectives, Improv Inc. tailor-scripts shows to train and entertain your workforce. These customized shows are an innovative way to help your employees learn and retain essential corporate strategies while enjoying a fun-filled comedy performance.

Video

Add punch to your presentation by getting our professional video production team and talent to produce films that drive home your core objectives.
